How to use this sample

1. Print the word search.

Read the words first, then find them. The answer key is the next page.

2. Cut the picture cards.

Say the word in English, then in Spanish. Accept either.

3. Trace and write.

Trace the light copy, then write one from memory.

4. Use the same ten words all week.

Repetition across four tasks beats new words every day.

5. Want the full set?

The Mega Pack has all 52 themes — 210 pages — free on the site.
